-High-speed hand dryer-

About AIKE

AIKE founded in 1994, has been the world's leading high-speed Hand Dryer manufacturer which has the world's largest Hand Dryer production base with an area of 36,000 square meters standard modern factory in Taizhou and Hangzhou, with complete production lines, as PCB workshop, motor workshop, assembly workshop, sheet metal workshop, machining workshop, painting workshop and laboratory. Monthly output reaches up to 15 thousand high-speed hand dryers.

AIKE has 23 years motor research experience and over 14 years OEM &ODM for jet hand dryer. Our company is dedicated to strict quality control and thoughtful customer service. Approved by UL, cUL, FCC, CE, RoHS ,CB, CCC ,GS, IS09001. AIKE hand dryer are widely used in public washrooms including airports, Olympic Stadiums, Hotels, Chain-Link Restaurants , Hospitals , Supermarkets etc.. We export to more than 110 countries , mainly to UK, France, Germany, Spain, USA, Canada, Israel, Brazil etc..

In the future, AIKE will continue to provide high quality and eco hand hygiene products, will focus more on the R&D of home-use products and makes them closer to daily life.
